THURSDAYS ON THE PLATZ IS BACK

Vermillion, SD., 2022 – It's that time of year again—the Vermillion Area Chamber and Development Company is happy to announce the return of Thursdays on The Platz! Vermillion's favorite summer music series begins July 7 and runs every Thursday until August 25.

Thursdays on The Platz sees people gather in historic downtown Vermillion to enjoy good food, great beer, local vendors, and some of the best music the area has to offer. This year's lineup includes the talents of Wild Card, Kobe Provost, Ultra Violet Fever, Fine Mess, Bluff Ridge Band, Jetley Park, Leila's Rose, and Blue Rune.

Each Thursdays on The Platz event will also feature a different independent brewery from the region. Attendees can look forward to beer from Jackson Street, Jefferson Beer Supply, Emyrean, Lupulin, Ben's Brewing, Woodgrain, and Fernson throughout the summer.

Special thanks to Bluepeak, the National Music Museum, BioMat USA, the Boys and Girls Club of Vermillion, the Living River Group of the Sierra Club, and the Vermillion Police Department for sponsoring.
